# INTRODUCTION

## SIT

Siddaganga Institute of Technology situated in Tumakuru, Karnataka, is one of the pioneer Institutes founded by parama poojya Shivakumara Mahaswamiji, of renowned Siddaganga Mutt, Tumakuru. It is Ranked 101 by NIRF, ISO certified and is awarded Diamond College Rating by QS I-GAUGE. SIT is one of the top 10 engineering colleges in Karnataka, accredited by NAC and NBA with an A grade. With 13 different departments, the institution stands best with research and engineering objectives.

# IEEE

# IEEE

IEEE SIT Student Branch was established in Siddaganga Institute of Technology in the year 2002, where we conduct various coding competitions, student activities, events, and workshops. IdEEEas, a national-level technical symposium, is the flagship event of IEEE SIT SB organized every year. From 2019 our affinity group WIE IEEE SIT SB has been organizing the largest technical event WIE CODE. We as the largest tech group of SIT have achieved a bunch of awards and accolades which include Best Small scale Student branch from the IEEE Bangalore section.

# IDEEEAS

IdEEEas is a national level technical symposium, with 11 sub-events. Our participants include students from all around India. Siddaganga Institute of Technology (SIT) holds a national level reputation, being one of the brainchild of Sri Shivakumara Mahaswamigalu, with his blessings and motive. The institution has provided many outstanding alumni for the brightest future of the nation. Aiming to increase this motive spirit and bring more dimension to its legacy, IdEEEas has been organised through the years. In the following year, we are planning to take this event to the International level and provide opportunities for students across the globe to show their technical skills and develop themselves into better versions with tough and healthy competition. With things resuming offline, we are aiming to reach 1200+ participants across the nation, making it a conclave of bright young minds.

# CALL FOR VOLUNTEERS

- Our event has a count of more than 1000 from the past 2 years.
- As we expecting more than 1300 participants this year, we need volunteers for "IdEEEas 2k22".
- We IEEE SIT SB cordially invite students to join hands with us and share responsibilities as well as build a network on 23rd June by volunteering for our flagship event "IdEEEas 2k22"

# BENEFITS - OFFLINE

- Volunteers can participate in all 11 events, free of cost.
- Volunteers will be given IdEEEas merchandise
  - T-shirt
  - ID Card
  - Pen
  - Scribble Pad
