## What is Presentario?

"Presentario" is a technical paper presentation event conducted in a group of three where each group is required to make a paper about a given topic or area, and then present it in front of the juries.

## Why?

Paper presentation plays a predominant role in this modern world, especially for BTech students. Students should add flavor of presentation skills to their resume as a good company look for it. The main motto of the paper presentation is to bring students out of stage fear and also improve their communication skills. It also provides an opportunity to learn in detail about a core subject which is a part of curriculum and develop effective presentation skills. In this competitive world every nuke and corner must be explored in order to get success and better opportunities.

## The Flow!!!

- Minimum of 2 and maximum of 4 participants per paper and no participant can be a part of more than 1 team.
- Participants have to submit their FULL paper for scrutiny, abstracts WILL NOT be considered.
- The paper should be in IEEE format not exceeding 12 pages.
- The document format has to be in microsoft word (.doc) or portable document format (.pdf)only.

## The Flow!!!

- There should be a PPT on the day of presentation.
- Soft copy of the full paper should be mailed to **presentatio.ideeeas2k22@gmail.com** with the domain name as the subject.
- Name of the participants, college name, email address and contact numbers should be mentioned in the mail.
- Shortlisted participants will be intimated through email.
