What is "C"NARIO?

"C"NARIO is a C programming contest which drags witty programmers across the nation to showcase their programing skills and win exciting prizes.

FIRST ROUND

- Each team will be given with a test of 30MCQ's based on core C language.
- There will be two separate set of questions.

Set 1 : 1st and 2nd years

Set 2: 3rd and 4th years

- The top teams will be called for final round.

SECOND ROUND

- The top teams need to attend this coding round which has 3 coding questions from 3 sections.
Easy
Medium
Difficult
- The coding contest will be held on HackerRank platform and the duration is 90min.
- The team which clears all the coding questions in the shorter time will be declared as winners.
