## What is Photographia?

**“Photography is the only language that can be understood anywhere in the world ”**

Here is an exciting and interesting event to showcase your creativity and talent. Photographia is an artistic program organized by the team IEEE SIT SB in the event IdEEEas. It is about finding something interesting in an ordinary place. All you need is a mobile phone and a keen eye. We promise you will have fun while participating in this event.

**Theme will be mentioned on the day of the event.**

## The FLOW!!

### Round 2 :

Top ten participants will be selected to the second round. These selected participants will be expected to prepare a Presentation (PPT) containing the selected pictures taken in the previous round. Each picture should have a caption or a brief description, related to the theme and should be presented to the Judges.
